Board of Selectmen
Greenwood, Maine

We have audited the accompanying general purpose financial statements of the Town of Greenwood, Maine as of and for the year ended December 31, 1994. These general purpose financial statements are the responsibility of the Town of Greenwood's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation.

The Town has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial statements.

In our opinion, except for the effects on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects the financial position of the various funds and account groups of the Town of Greenwood, Maine at December 31, 1994 and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles.

The accompanying supplemental schedules are not necessary for a fair presentation of the financial statements, but are presented as additional supplementary data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above, and in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

TOWN OF GREENWOOD
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Town of Greenwood conform to generally accepted accounting principles as applicable to governmental units, except that the Town does not record the general fixed assets group of accounts and uses the net budget method of budgeting and accounting.

A. Basis of Presentation:

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. The various funds are grouped by type in the financial statements.

Governmental Funds:

General Fund - The general fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund is paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Fiduciary Funds:

Fiduciary and reserve funds have been placed in savings accounts to be used for specific expenditures.

"Memorandum Only" Total Columns:

Included on the combined financial statements are total columns captioned "Memorandum Only" to indicate that they are presented only for informational purposes. Adjustments to eliminate interfund transactions have not been recorded in arriving at such amounts and the memorandum totals are not intended to fairly present the financial position or results of operations of the Town, taken as a whole.

Additionally, the 1993 totals presented in the "Memorandum Only" columns are included to provide a summarized comparison with comparable 1994 amounts and are not intended to present all information necessary for a fair presentation of financial position and results of operations in accordance with generally accepted accounting principles.

TOWN OF GREENWOOD
NOTES TO FINANCIAL STATEMENTS

B. Basis of Accounting:

The modified accrual basis of accounting is followed by the Governmental funds. Under the modified accrual basis of accounting, revenues are recorded when received in cash except for property tax revenues which are recorded as deferred tax revenues unless collectible within sixty days following the year end. Expenditures, other than interest on long term debt, are recorded when the liability is incurred.

C. General Fixed Assets:

The Town does not maintain a record of its general fixed assets. Expenditures for property and equipment are charged against departmental operations whenever such items are purchased.

NOTE 2 - PROPERTY TAX:

The Town's property tax for the current year was levied September 9, 1994 on the assessed value listed as of April 1, 1994 for all real and personal property located in the Town. Taxes were due December 10, 1994 with interest at the rate of 10% per year or part thereof unpaid on or before December 31, 1994.

NOTE 3 - CASH AND INVESTMENTS:

The Town's deposits at year end were in institutions which provide Federal Depository Insurance. Maine statutes authorize the Town to invest funds in savings banks, trust companies, and national banks. Funds can also be invested with State or Federal building and loan or savings and loan associations with credit unions. Uninsured deposits at December 31, 1994 were \$325,182.

TOWN OF GREENWOOD
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - DEFERRED TAX REVENUES:

SAMUEL BARRON LOCKE

Samuel B. Locke was born at Ashby, MA on May 1, 1767 the son of James Locke Jr. and Hannah (Farnsworth) Locke. He learned the millwright trade a science of which he better understood than most men of his time.

He married Hannah Russell at Surrey, N.H. in 1789. The Lockes moved from one mill construction site to another in the first few years of marriage. Thetford, VT 1790, Lempster, NH 1791, Newport, NH 1792, Fryeburg ME 1795 and Bethel ME 1796. The Lockes finally settled in Bethel, but Samuel continued to travel around northern New England building mills. The Lockes raised a family of ten children. Samuel's wife Hannah, the mother of all of his children died on April 5, 1822. On Nov. 8, 1824 Mr. Locke married his second wife, Polly Kidder of Hollis, ME.

The year of 1816 when the Township of Greenwood was incorporated, the territory embracing the village of Locke's Mills was a wilderness. In 1816 a forest fire had killed many of the trees in the area, and in 1817 Mr. Locke purchased a considerable tract of land around the Alder River Ponds, and also bordering on Alder River to the Bethel line. It was Mr. Locke's plan to work up much of the timber killed by fire into lumber. In the spring of 1819 Mr. Locke commenced the building of a saw mill and a shingle mill on the Alder River at the place now called Locke's Mills. Within two or three years settlers appeared on Bird Hill, Howe Hill and other surrounding areas. As the settlers came in, a grist mill became a necessity, and Mr. Locke built one adjoining his saw mill and shingle mill.

As I stated earlier, Mr. Locke was always in demand, and he was gone much of the time building mills. He left two of his sons, James and Charles to operate the family mill on the Alder River.

By 1837 there were only two dwelling houses at the "mills". One was a small house occupied by the miller and the other was a large house with a cellar kitchen. The large house was used as a boarding house, store, and later a post office. The first school here was held in the cellar kitchen.

Apparently, James and Charles Locke were never too thrilled about the mill business; so, in 1839 Mr. Locke, with failing health, gave the mill property to his son, Samuel B. Locke Jr. Samuel Jr. had been for some years operating mills at Buxton, where he had married and raised a family. Samuel Jr. soon arrived and took charge of the property, and he moved into the large house with the cellar kitchen.

Samuel Barron Locke Jr. was born on Sept. 25, 1801. In 1825 he married Lucetta Edgerly of Buxton, ME, and raised a family of seven children.

On Oct. 12, 1840 Samuel B. Locke Sr. died on his farm at Bethel. Around 1842 the mills all burned to the ground. It was a severe loss with no insurance, but Mr. Locke possessed the same millwright talent and energy of his father, and immediately started construction on larger and better mills a short distance down stream from the old mills.

While Samuel Jr. lived at the "mills", he took a few boarders, ran a small store, and was Greenwoods first Post Master (1840-1849 & 1853) Mr. Locke built the first factory building here around 1845 and leased it out. The first party to lease the building was Gillett & Bridges who ran a woolen mill. In 1850 Mr. Locke built a saw mill at the outlet of Twitchell Pond for Hiram Bisbee. Samuel Jr. donated the land on which to build a church and cemetery. Mr. Locke and his brother, Dr. John Locke along with Dr. D.W. Davis and William B. Lapham laid out the original first section of the cemetery in the village.

It was around 1857 when Mr. Locke decided to go into the mill business on the Little Androscoggin River at West Paris. He sold all of the mill property that year to Moses Houghton of Norway. Samuel B. Locke Jr. died at West Paris in 1869.

For many years the Locke Family owned a large part of the "Island", and around 1900 Samuel B. Locke the 3rd and his son-in-law, J.L. Marshall built Camp Echo on part of this land. Several years ago this property was sold out of the family, and the Locke Family ties with the Town of Greenwood were severed forever.
